I wonder what kind of story is this ?

『The happiest elephant』 (read in Chinese)

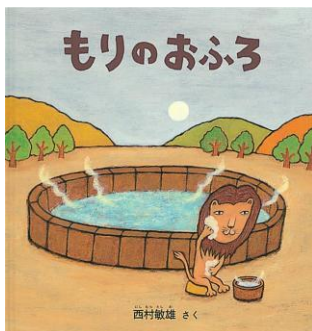

Groompa is a very big elephant.

He goes to work in many different places, but each time his big body gets in the way.

Is there a place where Groompa can work without his big body causing him trouble?

『Buthtub in the Woods』 (read in Korean)

A lion went to the bath in the forest.

Scrub scrub wipe wipe.

He washed his legs, his tummy, and his face spic and span.

Then other animals started to arrive.

『How far will a rubber band stretch?』 (read in Spanish)

One day, the little boy wanted to see how long a rubber band can stretch.

So, he went outside and got on his bike, then got on a train, then boarded an airplane...

How far will the rubber bands go?
